Written Statement

In accordance with 37 C.F.R. §1.133(b), Applicant's attorney herein submits a written statement of the substance of the telephonic interview with the examiner on April 9, 2007.

Applicant's attorney (Jason H. Foster) and the examiner (Courtney D. Fields) discussed the Droz et al. reference (U.S. Patent No. 6,950,946). Applicant's attorney's argued that the claimed invention is patentable over the Droz reference inasmuch as Droz sends physical addresses to the network and Applicant's claimed invention does not. The substance of Applicant's attorney's arguments are contained in the concurrently filed Amendment under the Remarks section. Claim 1 was discussed, and no proposed amendments were discussed. No agreement was reached as to the allowability of the claims, and no exhibits were shown.

Respectfully submitted,

07 May 2007

Date of Signature
